

Visit to SBI Museum

18/05/2023

Name of the Department: Department of History

Title of the activity: Educational Tour

Date: 18/05/2023

Participants: 9 participants

About the Museum:

The State Bank Archives & Museum opened on 13 May 2007, is a treasure trove that holds in its custody the rich documentary heritage as well as numerous related relics and memorabilia that have a direct scent of this great institution in its long and enduring legacy. It has three distinct wings: one the precious holdings of the Bank for the benefit of scholars and research; two, a rapidly growing collection of rare books and journals of the 19th and 20th centuries and three, a display of the rich legacy of the Bank. Together it captures the genesis, growth, and fulfilment of this banking odyssey. It focuses on the transition of the Bank through the phases with the aid of original records and objects of historical interest.
