

STUDENTS' SEMINAR

BY 2ND YEAR PHSA

ON 8TH FEBRUARY 2019

A man in a red and white striped shirt stands at the front of a room, holding a paper and speaking. Behind him, a projector screen displays a close-up of several hands holding mobile phones. The audience, including a man in a checkered shirt, is seated at desks facing the presenter. The room has light green walls and a white projector screen.

Sri Arick Naidu speaking on "Health hazards from mobile phone"

A man in a checkered shirt stands at a white desk, pointing towards a projector screen. The screen displays a presentation slide with a portrait of a man in a suit. An audience member in a grey hoodie sits at a desk in the foreground, looking towards the presenter. The room has light green walls and several rows of dark desks and chairs.

Sri Deepanjan Ghosh speaking on "Electric bulb vs. LED"

Alternating Current

The origin and evolution of AC

Sri Rick Ghosh
Widyanagar Training College

Sri Rick Ghosh presenting "Evolution to electricity"

A man in a black jacket is standing on the left side of a lecture hall, gesturing towards a large whiteboard. The whiteboard is currently blank. In the foreground, several people are seated at desks, facing the presenter. The room has light green walls and a wooden door is visible on the far left. The overall scene is a lecture or presentation.

Sri Sayan Roy delivering on "Special theory of relativity"

PHYSICS OF INDIA'S MARS MISSION
VISHVAKAR EVENING COLLEGE
8/02/20

SAYANDEEP GUHA
(STUDENT OF 2ND YEAR)

Sri Sayandeep Guha explaining "Physics behind Indian Mars Mission"

A young man in a plaid shirt stands at a computer desk, presenting a slide on graphene science. The slide shows a 3D ball-and-stick model of a graphene lattice structure. The room has green walls, a projector, and a fan. Two other people are seated at a table in the foreground, listening to the presentation.

Sri Sourav Mandal delivering on :Graphene science"

Smt. Swagata Pal on "Bootes void"
